## IMPORTANT NOTE:

Please ensure you complete Section 11 below before you return your application form. This part will be detached from your main application form prior to referral to an admissions officer.

### SECTION 1:

We need details of previous names to make sure we do not create new records for a person whose details are already held on our systems. We may need a copy of documentary evidence of a change of name (you will be asked for this if necessary). If you would like University correspondence to go to an address other than your permanent address please indicate this in the "Correspondence Address" section. **This is the address that will appear on any letters and they will be sent to this address.**

### SECTION 2:

This information helps us to make sure we refer your application to the right person.

### SECTION 3:

The information about the last educational institution you attended is required by the Higher Education Statistics Agency (HESA).

### SECTION 5B:

You should also complete sections 1 and 2 of the Statement by Referee forms included as part of this form, detach and send them to your chosen referees as instructed.

### SECTION 6:

Payment will be requested at a later date. We need to know from whom we should ask payment. If you are being sponsored by an employer you will need to provide a letter (or purchase order number) from your employer to confirm this when you enrol.

### SECTION 7:

This information is asked for in order that the University can contact you to discuss any support needs, or reasonable adjustments that may be required in relation to your disability, during your lifetime of study. You are advised to contact the Enabling Support Team as soon as possible if you need support. For study at Ayr Campus, e-mail [enablingsupport.ayr@uws.ac.uk](mailto:enablingsupport.ayr@uws.ac.uk) For study at Hamilton Campus, e-mail [enablingsupport.hamilton@uws.ac.uk](mailto:enablingsupport.hamilton@uws.ac.uk)

This information is also required by the Higher Education Statistics Agency (HESA) and to ensure that the University complies with the Special Educational Needs and Disability Act 2001 (SENDA).

### SECTION 8:

Relevant criminal convictions are those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawful supplying of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. If you enter x in this box we will ask you for further information. If you are applying for courses in teaching, health, social work and courses involving work with children or vulnerable adults you must tell us about any criminal convictions, including spent convictions and cautions (including verbal cautions) and bindover orders. For these courses you may need an 'enhanced disclosure document' from the Scottish Criminal Record Office Disclosure Service. The University will send you the appropriate documents to fill in if necessary.

NB: This application form is available electronically and in other formats if required. See [www.uws.ac.uk](http://www.uws.ac.uk) for details

While this is a general section to which all applicants must respond, the University is aware that GTCS registration procedures will already have considered the position on criminal convictions of applicants who are GTCS registered teachers.

## Notes for applicants

(Please read these notes before completing your application form)

The information contained in your application is the first stage in the selection procedure for admission to the programme. Please include with your application photocopies of the following documents, where appropriate:

- birth certificate
- marriage certificate (if relevant – eg if name now different from birth certificate)
- academic qualifications (including school certificates and a FULL university transcript)
- degree scroll/certificate

Any additional information to support your application should also be enclosed.

It would also be helpful to provide a reference from a member of the teaching profession in any primary school in which you have had work experience. Please note that incomplete applications cannot be processed. Please submit your PGDE application form and enclosures\*, normally by 15 December to: **Admissions (PGDE Primary), University of the West of Scotland, Paisley Campus, Paisley, PA1 2BE, Scotland, UK**

**\*We advise you to ensure that correct postage is paid, otherwise, after a period of time, the Post Office will return the envelope to you.**

**NB** After 15 December the School of Education may close its PGDE Primary programme list and accept no further applications.

### Academic entry requirements to PGDE Primary

**NB** After receipt of your application form your qualifications will be checked and you will be advised if they do not meet the necessary qualifications to join the programme.

Entry requirements to courses of Initial Teacher Education are set out in the Memorandum on Entry Requirements to Courses of Teacher Education in Scotland 2006 published by the Scottish Executive Education Department. It is the definitive document and reference must be made to it. Information on entry requirements may be accessed on the Scottish Government's Teaching in Scotland website at [www.infoscotland.com/teaching](http://www.infoscotland.com/teaching)

**The following is a summary of the minimum academic entry requirements for admission to the PGDE (Primary) programme. You must meet the minimum academic requirements:**

- A degree validated by a Higher Education institution in the United Kingdom or a degree of an equivalent standard from an institution outside the United Kingdom.
- A National Qualifications Course award in English at SCQF Level 6 (or an equivalent). Equivalent qualifications would be – an SCE Higher grade pass at band C or above in English, or a National Course award (Higher Still) at Level C or above in English and Communication, or National Units – Communication (NC) at higher level and Literature 1 at higher level (these used to be known as National Certificate Modules Communications 4 and Literature 1), or GCSE English Language and English Literature (passes at C or above – England, Wales and Northern Ireland).
- A National Qualifications Course award in Mathematics at SCQF Level 5 (or an equivalent). This is normally achieved by an SQA Standard Grade award at grade 1 or 2 in Mathematics or in Mathematics at Intermediate Level 2 or GCSE Mathematics (pass at B or above – England, Wales and Northern Ireland).

The competitive entry levels, however, are substantively higher than the minimum entry qualifications and other factors are taken into consideration. It should therefore be noted that not all applicants are selected for interview. The following initial selection criteria apply:

- Degree profile
- Referencel(s)
- Awareness of current practice in schools (eg through time spent in schools)
- Other academic qualifications
- Experience of working with children
- Interests and skills

### Rehabilitation of Offenders Act 1974 (Exceptions) (Amendments) Order 1986 – Disclosure Scotland check

It is drawn to your attention that admission to the profession of registered teachers is excepted from the provisions of Section 4(2) of the Rehabilitation of Offenders Act 1974 by virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) (Amendments) Order 1986. Successful applicants who gain a place on the PGDE (Primary) programme are subject to a Disclosure Scotland check on grounds of Child Access. Any failure to disclose information about convictions which for other purposes are 'spent' under the provisions of the Act could result in withdrawal of a place on the PGDE programme.

We may be in further contact with applicants regarding meeting the cost attached to this procedure. If you are in doubt about the relevance of any conviction under the terms of this Order you should write, in confidence, seeking the advice of: **Head of the School of Education, University of the West of Scotland, Ayr Campus, Beech Grove, Ayr, KA8 0SR, Scotland, UK**

As an applicant for the PGDE (Primary) programme, your application will be given the fullest consideration. However, in the event of your application for the PGDE (Primary) being unsuccessful, we are prepared to give additional consideration, for the University's PGDE (Secondary) Programme, to Postgraduate Primary applicants who are qualified in one of the following secondary subjects:

- Art and Design
- Biology with Science
- Chemistry with Science
- English
- Mathematics
- Physical Education

If you are interested in this possibility please indicate your PGDE (Secondary) subject in the appropriate box on the application form. Please be assured that any expression of interest in PGDE (Secondary) will not compromise your PGDE (Primary) application.
